Featuring **Epiphone Les Paul guitars that are to be artistically designed by Ohio based visual artists and celebrities**, this project will serve as an artistic reminder and display of Cleveland's lush musical heritage and unwavering commitment to music that Rocks!

Once completed, the guitars will be publicly exhibited in the Fall of 2009 and subsequently auctioned off to raise funds for three local non-profit organizations: *the Rock and Roll Hall of Fame and Museum, the Greater Cleveland Film Commission and the Cleveland Music School Settlement.*

**Online Location Gallery:** We are currently building an online image gallery of Cleveland filming locations to highlight what our city could contribute to films, commercials and other types of media. We are always open to suggestions of places you think are unique to Cleveland or could stand-in on the big screen for locations anywhere in the world. If you know of a business, building, park, or home that you think would be a good addition to our library, please let us know. And, if you are willing to have your home used as film location, please contact us so we can photograph it and add it to our gallery. **Contact Sara Dering at [sdering@clevelandfilm.com](mailto:sdering@clevelandfilm.com) to set up an appointment, or inform us of a great location.**
